FACULTY AND ADMINISTRATION

The whole art of teaching is only the art of
awakening the natural curiosity of young minds
for the purpose of satisfying it afterwards.

-Anatole France
"The Crime of Sylvestre Bonnard"

On January 1st, 1969, The Essex County Board of Education became a legal body responsible for the educational programme of all public, elementary and secondary school pupils in the County of Essex, excluding the City of Windsor. The basic philosophy of the new Board is that there must be equality of educational opportunity for each child in the County. This is easy to say, but much more difficult to achieve. In Essex County, there is a wide range of quality in school buildings, in equipment and in programme. This can only be remedied over several years.

Some of the immediate objectives of the Board are:

- (1) to eliminate the one, two and three room schools and to replace them with large, well-equipped, flexible schools;
- (2) to upgrade and modernize the equipment in the schools;
- (3) to revise the curriculum so that each child can learn in a way and at a rate that best meets his needs;
- (4) to enrich the programmes by introducing and supporting programmes in music and art as well as in other areas where pupils have special aptitudes and abilities.

This is a large challenge but the members of the Board are enthusiastically working to find satisfactory but economical solutions and we ask that you join with them in developing one of the finest educational systems in the province of Ontario.

May your education be a meaningful experience that will permit you to lead a satisfying life and at the same time, appreciate and understand the problems of others.

--William Wood
Director of Education
Essex County Board of Education

In January 1969, the Essex County Board of Education was formed to replace some five former High School Boards and about forty Public School Boards. In similar manner, former Separate School Boards were replaced by the new Essex County Separate School Board.

Mr. R. A. Cozens, former principal of General Amherst High School at Amherstburg, is the County Superintendent of Education (Secondary). He is charged with assisting principals and teachers to provide the best educational opportunities for all teenagers of Essex county. The present six secondary schools in the county will increase to seven next September and to eight by September 1971. There is a good possibility that a ninth will be needed for September 1972.

Mr. Cozens urges all Leamington District Secondary School students to make the best possible use of their educational opportunities. He hopes that a good number will consider teaching as a profession and will be available to provide top quality teachers for Essex County.

Mr. R. A. Cozens
Superintendent of Secondary Schools
Essex County

Another school year draws to a close and another issue of the "Phoebus" is in our hands. With this Yearbook, we recognize those young people who are joining the many others as graduates of the Leamington District Secondary School. To them, we offer our warm wishes for their continued success in life.

To be young to-day is not only to enjoy many advantages and comforts unknown to former generations but to suffer many trials and to cope with many problems which did not plague our forefathers.

Dissatisfaction with what is around us is not a bad thing if it prompts us to seek betterment, but the best sort of dissatisfaction in the long run is self-dissatisfaction which leads to improving ourselves.

It is to be expected that you will make the best use of the things that are within your power. Do not be content to live a mediocre life, pleasurable as it may be, but aspire to reach a high peak of excellence.

Merely having ability and a good education is, of course, no reserved ticket to successful achievement. Doing what has to be done increases the chance of success and this involves the use of a four-letter word that there is no disgrace in using: "work".

J.N. Hume
Principal

"The old order changeth . . ."

It is with regret that the Phoebus Staff has learned that the Class of '70 would be the last class to graduate under the principalship of Mr. J.N. Hume. Mr. Hume has submitted his resignation to be effective this June. We would be very remiss if we did not pay tribute to this man who has played such a prominent role in molding the image of the Leamington District Secondary School. This school has become well-known and respected throughout Ontario for its scholarship, efficiency, and discipline.

Under Mr. Hume's guidance for thirty-seven years, first as a teacher and since 1941 as principal, thousands of students have earned their senior matriculation and many thousands more their junior matriculation, many of them second generation students. The quality of life in this community could scarcely fail to have been influenced by his philosophy of education. Probably no man in public life has touched so many lives in the Leamington area. He will be greatly missed in this school and not soon forgotten.

" . . . yielding place to new."

Mr. H.E. Richardson had been connected with the educational system for thirty-two years, first as principal of the Wheatley Continuation School and later as a mathematics teacher at L.D.S.S. He was highly regarded by both the faculty and the students with whom he worked and taught. By his students, Mr. Richardson will be remembered especially as a thorough, patient teacher — a teacher who has given solid grounding in mathematics to thousands of students.

Student Council Speaks Out

The Student Council is made up of all the House Executives and Junior and Senior Class Leaders. Elections for these positions take place early in September in order that the winners may begin carrying out their many functions throughout the year. The House Executives, with the assistance of the Class Leaders, perform such duties as preparations for dances, magazine sales, chocolate bar sales, purchasing of student equipment, and many other student affairs involving the student funds and participation. The Class Leaders often act as intermediaries between the Executive and the student body. Also, they are in charge of carrying the desk pads. Without doubt, students would be lost without the Student Council to carry out their wishes.

Senior Students Advance Culture

On Saturday, October 11, about ninety senior students travelled to Stratford to see the presentation of "Hamlet." The beautiful Shakespearean costumes and the excellent performance of the players made the play come alive to all the students. An additional highlight of the performance was the opportunity of asking the players questions about the play or the actors themselves. Also, many of the students took the opportunity of visiting the city of Stratford or of exploring the impressive grounds surrounding the theatre.

For the past three years during the Christmas holidays, senior French students have had the opportunity of visiting Quebec City, a famous landmark in Canadian history. On this year's trip, students were able to hear the French language spoken in a French environment and to improve their own French at the same time. Accommodations at the Chateau Frontenac and participation in a wide range of winter sports added an interesting atmosphere to the trip.

Laura Mastronardi looks pensive as she reflects on the scenic view of the St. Lawrence.

A Step Toward the Future

COMMENCEMENT

The 1968-69 commencement exercises were held Saturday evening, November 15. At this time, students proudly received the diplomas, scholarships, awards and prizes which they had earned in the previous school year. The valedictory address was given by the top scholar of the Class of '69, Jim Mastronardi, who is presently attending Queens University. Also, the Glee Club, under the direction of Mr. Cobbledick, provided a musical interlude with songs presenting the theme of graduation.

Valedictorian Jim Mastronardi delivers the traditional address as Mr. Hume looks on.

Paula Pearsall proudly receives her Secondary School Graduation Diploma from Mr. Cowan who was assisted by Miss Campbell and Mr. Driedger.

Congratulations and hopes of success were in order for the Ontario Scholars, Jim Mastronardi and Judy Hacker, who displayed close competition throughout the year.

...and a Fuller Personality

Everyone realizes that a school develops the academic life of a student, but one would also realize that a school also plays a vital role in a student's social life. A student's personality is developed during classroom activities as well as at school dances. For example, "The Mad Dog" on September 26, gave the students a taste of high school life. "Gottlieb's Follies" on November 7, showed clearly the vivid imagination that our students possess with the decorations and costumes emphasizing the "Hard Times" theme.

Proof that appearances can be deceiving. This photo was snapped at the instant when John Lemieux tripped and fell into the laps of two unsuspecting bystanders, Kay Jackson and Kathe Torau.

Lionettes Face Tough Odds All Season

Even though we cannot boast that this year's team was the best we have ever had, it was a team of which we can be proud. The Senior Lionettes put forth a lot of effort, and must be commended for their excellent sportsmanship and fine school spirit. Backed by some fine coaching from Miss Beach, such standouts as Diana Vander Hoeven, Elsie Jakob, Karen Ryckman, Linda Baerg and Linda Omstead provided some exciting action in intramural competition. Although they failed to record any number of victories, the experience gained by the team will prove invaluable to next year's squad.

The flickering candle of fate brought the Junior Lionettes to their downfall. The strong efforts of Debbie Sadler, Nancy Wiper, Sonya Ehrenreich, and Sue Dunmore, along with the other team members, were in vain. Although we may not be able to congratulate you on a successful year, we do extend our congratulations on your keen display of good sportsmanship and school spirit.

the Ball to a Successful Season

L.D.S.S. was represented this year in the High School Volleyball League by a very able team. This group of coordinated athletes terminated the season by sitting in second position, despite the fact that the team consisted basically of newcomers. Two experienced players, John Lemieux and Craig James, along with four rookies, Bill Paterson, Reinold Kosciuw, Werner Penner, and Al Diniro spearheaded the attack against the Essex County rivals. However, this novice team will carry their experience into next year when the Lions will be victorious.

Reinold Kosciuw and Craig James (in background) anxiously await return volley. The ability displayed by these young men exemplifies that of the entire team. The effort put forth by each member enabled the team to attain the degree of success which it did.

Craig James sets up the play as Bill Paterson, No. 43, and Reinold Kosciuw move in to assist. With Mr. Osborne's fine coaching, the team put forth a good showing in interschool competition.

Students Show They're Not Green on the Green

This year the annual house golf tournament attracted many new and eager players. Gamma won the team honours slightly ahead of Beta. Although Leamington played host to the E.C. S.S.A. tournament, they had to settle for a third place finish. Thanks are extended to Mr. Myers who loyally donated his time, devotion, and assistance during this season. With a little practise and luck, Leamington will come on strong next year to contend for the championship.

RIGHT: Rod Deneau practises for E.C.S.S.A. Tournament. This year's team put in a fair showing in its various meets.

The winning smile marks victory for Mary Anders. Indeed, this was only one of the many victories that allowed her to compete in the S.W.O.S.S.A. meet.

Ed Mayer bears the grin of a confident contestant. His ability was characteristic of that of his fellow teammates.

Tennis Doubles Win Way into Finals

FRONT ROW: (L-R) Jane Pritchard, Betty Knowlton (SWOSSA champs - girls doubles)
SECOND ROW: Mary Anders, Gary Langeman, Herbert Grundner, Ed Mayer, Greg Dufour, Laurel Wigle

Interschool tennis got started with a "smash" this year. In E.C.S.S.A. Leamington proved superior in four out of five events. These victors included Mary Anders, Ed Mayer, and the teams of Laurel Wigle and Greg Dufour, and Jane Pritchard and Betty Knowlton. Stiffer competition was met in S.W.O.S.S.A. but our Ladies' Doubles arose victorious. Jane and Betty moved on to O.A.S.S.A. where opponents were tougher. However, these two girls received runner-up in the consolation event proving that Leamington has the potential to compete against the best.

Point Pelee-- Site of Cross Country Run

The victories and losses of the Cross Country Team varied throughout the year, but Leamington put in a good showing. Among the better efforts, Sonya Ehrenreich was undefeated in the local meets; Bill Robertson also shared that title; Doug Hillman and Bill Pike both added points for the good guys. When E.C.S.S.A. rolled around we were prepared. The Junior Boys won the championship with a team consisting of Bill Robertson, Frank Ehrenreich, Doug Hillman and Gary Langerman. However, in the other divisions, we were not so fortunate. The Senior Boys placed second, Bill Pike stood third and Sonya won her race, but she had no team backing. Evaluation: moderately successful.

SECOND ROW: Mr. Purr (coach), Dan Morgan, Tony Thoman, Brian Kipping, Augustino Ingratta, Ken McCormick (manager)
THIRD ROW: Dave Walker, Ed Mayer, Mark Harris, Henry Trynka, Frank Ehrenreich, Gerhard Krahn, Nick Lutsch.

Below: One of the team's many surprising victories this year was in a hard fought game against the Amherst Generals. The Generals' previous record of no losses served to emphasize our team's ability as the Generals fell prey to Mr. Purr's squad of talented athletes.

Lions S.W.O.S.S.A. Championship

After three years of dismal failure, the L.D.S.S. soccer team climbed to its height of glory. The season was highlighted by an impressive record of 8 wins, 3 ties, and 3 losses. In E.C.S.S.A. championship action, the Lions showed their ability by winning both games, 1 to 0 and 3 to 1. Next, the Lions met Ridgetown for the all-important S.W.O.S.S.A. "AA" title. The Lions were defeated in the first game by a close margin of 1 to 0, but they came back fired by five hundred enthusiastic fans and won by a 3 to 1 count.

The basis for this year's success can be summed up in two words - TEAM SPIRIT. The togetherness of the team was evident from the beginning of the season. This togetherness plus Mr. Purr's inspiration proved to be a winning combination. The future looks just as bright as the 1969 season, and therefore 1970 looks like another year to - SOCCER TO 'EM.

Football Team Displays Good Sportsmanship

This year's football team may not have been successful statistically, but it got off to a good start to build for the future. Such first-year men as Bill Kiff and John Moore have started a possible dynasty for future years. Veterans such as Kent Woodward and Bill Charlton were valuable with their knowledge of past experience. The coach, Mr. Zannier, did wonders with this young team and in 1970 the Lions almost guarantee some victories.

Curling Sweeps Its Way into L.D.S.S.

At long last, curling has been accepted as a sport among the students of L.D.S.S. Each Thursday after school curling enthusiasts assembled at the curling rink to play. During the Christmas vacation, a team consisting of Ron Lapos, Howie Duncan, Bill Shaw and Pete Brown, under the coaching of Mr. Ives, went to Sarnia to compete in the Ontario Schoolboy Bonspiel. Although they didn't win, they put forth a good effort.

On March 13, two teams entered the S.W.O.S.S.A. play-offs. Representing the girls were Suzanne Naeyaert, Shelley Tilden, Shelley Getty and Janet Lambier. The boys' team consisted of Rick Lyons, Bill Shaw, Howie Duncan and Jamie Armes.

After-school curling was a big success this year. With the increasing interest in this sport there should be an even bigger season next year.

Lions Provide Stiff Competition

Our Senior Boys' Basketball team, despite inexperience, put on a good showing and placed very well in the E.C.S.S.A. standings. This young team under experienced guidance of Mr. McAdam, started off the season miraculously but ran into a slump in the last half. Major contributors were Ed Mayer, Frank Ehrenreich, Werner Penner, Roger White and Paul Cornies who put much effort into the sport. However, next year looks brighter for our Senior Lions when more than two-thirds of the team will return to action.

Below: Paul Cornies towers above his opponent as he strives to put Leamington ahead. Frank Ehrenreich, No. 20, adds assurance in case of a rebound.

SENIOR BOYS' BASKETBALL FRONT ROW: (L-R) Mr. McAdam, Reinold Kosciuw, Werner Penner, Ed Mayer, Wayne Wharram, Alex Diniro, David Hillman. SECOND ROW: Paul Cornies, Bill Paterson, Frank Ehrenreich, Manuel Reis. ABSENT: Allan Bachmeier, Ron Kindt, Roger White, Robert Gulliver, Augustino Ingratta.

for County Rivals

This inexperienced team did exceedingly well despite the lack of height and former experience. Only one member of the team has seen Junior basketball action previously and you cannot build a team on that. What it really takes is determination, pride, teamwork, and breaking a press. Among the aces on the team this year are Harry Ediger, Sandy Pritchard, Tony George, and John Newland but everyone contributed to make the game enjoyable. Through victory and defeat, these young boys displayed great attitude and team spirit.

Seniors Meet Opposition Half Way,

"Lions got the soul!", one of the cheerleaders' yells, is quite appropriate in describing this year's senior girls' basketball team. Although they didn't capture any titles, every member of the team made a major contribution in providing the necessary drive and teamwork for a hard-working, victory-hungry unit. Laura Mastronardi (captain), Andi Myers, Miriam Grant, and Elsie Jakob were standouts in the scoring department, although all other members did important rebounding and defensive work throughout the entire season. The Lionettes failed to defeat their old rivals, Amherst and Essex, and in a final, hard-fought quest to earn a playoff berth, fell prey to Harrow High, a newcomer to the division. The team members wish to acknowledge that they were proud to play under Miss Borschke in trying to bring honour to the Maroon and Gold.

While Juniors Capture S.W.O.S.S.A.

"Victory! Victory! is our cry, V-I-C-T-O-R-Y!" This has got to be the most appropriate cheer any Leamington fan could yell for the Junior Lionettes. With the best team in recent years, the juniors easily swept over all opposition with a record shattering 11 straight league wins. However, their sole loss did not prevent the team from earning the E.C.S.S.A. and S.W.O.S.S.A. championships.

In the scoring department, Wendy Jackson, Deb Sadler, and Sonya Ehrenreich were top point getters. Yet, it was the outstanding teamwork that kept the girls on the winning side. With E.C.S.S.A. safely tucked under their belts, the Juniors defeated Kingsville in a two game total point series 65-42. This victory sent the team to the Essex-Kent playoffs to battle Chatham Tecumseh for the S.W.O.S.S.A. laurels. In the first game, the girls took an early lead and emerged with a 25-18 victory which gave them a 7 point advantage going into the second game. Victory rang through the halls of L.D.S.S. when on that glorious Friday evening the Juniors defeated the Tecumseh girls 37-18, wrapping up the series 62-36. Indeed, the success of the 1969-70 Junior Girls' team is undisputed, and the unity and spirit displayed were well worth the effort.

LEFT: The scene was one of uncontrollable joy as the Juniors captured the S.W.O.S.S.A. title for the first time in years. ABOVE RIGHT: Sonya Ehrenreich sets a fast pace for Chatham Tecumseh to try to beat.

ACTIVITIES

Constant labour of one uniform kind destroys the intensity and flow of a man's animal spirits, which find recreation and delight in a mere change of activity.

A Play Is More Than

The theatre is one of the most popular forms of entertainment today. Here at L.D.S.S. we have three very active drama groups.

The Senior Drama group this year is devoting its main efforts to the play, "Anne of Green Gables." Miss Ternan is being aided by Mrs. L. Brown in supervising this group. Mrs. Brown, an amateur actress from England, is contributing time and talent to the success of the entire group.

Marg McCullough and Randy Gulliver of Grade 13 have written a play and are directing the Junior Drama group in the presentation of this original work.

The Intermediate Drama group, composed of Grade 12 students, is led by Mr. Gretes this year. This group applied its talents to the play "Luxury Cruise."

Glee Club: An Expression of Harmony

The members of the Junior and Senior Glee Club find singing one of the best ways to brighten their spirits.

Under the leadership of Mr. Cobbledick, the combined Glee Club has performed on three different occasions this past year. As in previous years, the graduation ceremony in November was the first performance. The second performance was the Christmas concert which helped to instill in everyone the true spirit of the season and to release the tension of examinations. Finally, the Glee Club's May performance, which featured such well known pieces from the Sixties as "What is a Youth?" from the movie "Romeo and Juliet", and "Consider Yourself" from "Oliver", lived up to their highest expectations.

All of the selections for the concerts were chosen by the music committee which consisted of Anna Wiebe, Brian Kipping, Bob Toews, Jim Armes and Wayne Wharram. The accompanists, Diane Preston and Kim Pulley, both did jobs worthy of praise.

Under the leadership of Mr. Cobbledick (above) and with the accompaniment of Diane Preston (right), this year's Glee Club completed another successful year.

Cheerleaders Perform New Routines

One of the most popular activities in our school is cheerleading. Nor rain, nor hail, nor lack of fans keeps them from making their enthusiastic cheers. Under the leadership of Kathe Torau and Susan Harrow, many new cheers, along with the old ones, are taught to the other cheerleaders. Their support has contributed greatly to the success of our teams in many interschool competitions.

... (We) all consider society as a body in a state of improvement, humanity as a changing scene in which nothing is, or ought to be, permanent; and (we) admit what appears to (us) today to be good, may be superseded by something better tomorrow.

--Alexis de Tocqueville
"Democracy in America"

It is in the light of the above concept that the Phoebus Staff presents to the faculty and students of L.D.S.S. the "Phoebus 1970". It has been a year of change and the Phoebus is reflecting that change in as many ways as possible--we hope a change for the better. We have experienced the challenge and excitement of developing new ideas, tearing them down, and rebuilding better ones--at times a frustrating but ultimately a satisfying process.

The "Phoebus 1970" is the product of a team of involved, interested people. I am very appreciative of the skill and labour that went into the making of this book. I wish to express special thanks to Mr. Hume who allowed us the freedom to experiment; to Mr. Graydon who gave us support and guidance; to Mrs. Peterson who typed and proofread copy; to Mr. Max Moran who judged the entries in the Phoebus Photo Contest in which all of the classes so enthusiastically participated; and to my girl Friday, Linda Hillman. Credit and recognition must also be given to all of the editors and their assistants for their many hours of toil and for their patience with their greenhorn editor-in-chief. My thanks to everyone who contributed in any way.
